# You are a platoon commander.

**A World Divides.** The year is 2015 and World War III is about to begin. Recent advances in technology have removed the threat of global nuclear conflict and reopened the option of conventional warfare between great powers. Chinese forces have invaded Kazakhstan, searching for natural resources. The U.S., in defense of the Russian/Kazakh border, must contain China. Now, YOU must choose which nation's highly advanced land forces to command in battle.

## Prepare for World War III.

Force 21 for the Game Boy® Color brings exciting and action-packed gameplay to the hand-held platform.

- Battle your foes in 16 different levels over desert, countryside, and snow.
- Command 8 different types of platoons including Infantry in fast-paced action to overcome the enemy.
- Prepare to take on wave after wave of enemy tanks, helicopters, and infantry.
- Simple and powerful interface allows even a novice general to command several platoons easily.
- Control 21st Century battlefield technology on a wide variety of combat vehicles.
- Deploy explosive mine layers and mine sweepers to combat infantry.
- When the going gets tough, bring in devastating Artillery and Air Support.
